City Attorney Elliott told Mr. Randolph that the Board is not trying to impose hardship on anyone.

Darrell Moody, 2628 Stonesage Drive, approached the Board on behalf of Kiian Group. He explained that Kiian Group is an ink manufacturing company from Italy. Mr. Moody said Kiian Group has chosen the Soddy-Daisy Industrial Park as a site to manufacture their ink. He said according to the recently passed ordinance to change the zoning in the industrial park to M-1, the Board has to review the use of any tract not in operation as of the effective date of the ordinance. Mr. Moody distributed some information pertaining to Kiian Group's manufacturing process and gave a brief description of it. He said it is a clean process and that the ink is not harmful in any way. Vice-Mayor Cagle stated that she would have liked to receive some information on Kiian Group and their manufacturing process in advance before the commission meeting.
